Contact Information

In a number of cities in Australia, evenings of recollection and classes on the Catholic faith are conducted at local churches, private homes, offices, etc. (Sydney, Melbourne, Brisbane, Canberra, Perth, Hobart, Newcastle/Maitland, Wollongong)

30/05/2014

Also, a number educational projects for young people in Australia (youth centres, university residences, etc., promoted and owned by not-for-

profit companies which are registered charities) have entrusted the spiritual and doctrinal orientation of their activities to the Prelature of Opus Dei.

Those entities, located in Sydney, Melbourne, and Brisbane, have chaplains who are priests of the prelature.
