

# International Aid for Turkey and Syria

Information on how to send material and economic help to Turkey and Syria through Caritas.

02/11/2023

The earthquake on 6 February and its aftershocks have devastated parts of Turkey and Syria. Tens of thousands of people have been left homeless, while many others have lost their lives. It is a humanitarian emergency.

“I remain close with all my heart,” Pope Francis tweeted. “I continue to pray for those who have lost their lives, as well as the injured, family members, and rescuers. May our concrete aid sustain them in the midst of this appalling tragedy.”
