

Do women and men have the same status in Opus Dei?

2008-09-26

Women and men share equal dignity as children of God and are equally called to live their faith fully. Men and women faithful of the Prelature follow the same spirit, promote similar apostolates, work in all honest professions, and have the same vocation of endeavoring to sanctify work and family life. In addition, lay women and men discharge identical responsibilities of

government and formation in the
Prelature.
