We offer a downloadable pdf version of the Novena for the Family, the Novena for Forgiveness, the Novena for Work and the Novena for the Sick, to St. Josemaria, prepared in Canada.

These new versions, in an attractive new design, are based on the original texts by Fr. Francisco Faus, who wrote them out of his love for St. Josemaria. Fr. Faus lived with St. Josemaria for several years, and wanted to spread devotion to him so that many more people could be helped by his intercession.

Readers often write in to this website about favours they have received through St. Josemaria's intercession. Many of them invoked his intercession by means of these novenas, asking for help to get a job, solve a family difficulty, or bear a sickness patiently and joyfully.
