Plan for Conference at University of Toronto, January 2003

"Passionately Loving the World - The Message of Saint Josemaria Escriva". This conference celebrates the centennial of Saint Josemaria's birth on January 9, 1902, and his canonization by Pope John Paul II on October 6, 2002. Truly a saint for the new millenium, he taught us how to transform the world from within by our daily work and the fulfillment of our ordinary duties as Christians.
