I’d like to express my thanks to God for the favor He granted my brother through Blessed Guadalupe. Due to the COVID-19 crisis, my brother lost his job in the month of March.

In August, I “met” Guadalupe online. I discovered that she was a woman

with a staunch faith, who gave herself totally to God and to others amid her ordinary daily duties and some extraordinary situations.

I decided to entrust my brother's employment to her. I prayed a novena, and the day after I finished I woke up thinking, "I've prayed the novena, so now I have to wait for Guadalupe to work a miracle." That very day my brother texted me saying, "I just got a callback; I start work tomorrow." I couldn't believe it!

Thank you, Guadalupe. I will share my devotion to you with the people I know so that they too can benefit from your example and holiness.
