Bl. Alvaro saved my money!

I am writing to recount a favor I received recently from Blessed Alvaro.

12/02/2025

Two months ago, I received a large amount of money which was supposed to be used for a specific purpose on arrival to my new residence. While I was packing, I decided to divide it into two envelopes and put it in different places in case I misplaced a part of

my luggage which, I was hoping would not happen.

However, when I arrived, I could only locate one of the envelopes and after searching frantically for many days, I couldn't find it. I decided to say a prayer card to Blessed Alvaro to help me to recover it, although it seemed like something impossible since I had checked all my bags.

After about a week, a colleague sent me a photo of an envelope asking if it belonged to me. Lo and behold, it was the envelope with the money! It seems I may have collected it without realizing it and passed it to her with some other envelopes I had given her.

I am very grateful for the favor since I was almost sure the money was gone!
