It is indeed with great might and joy that I can testify that I have witnessed and obtained financial

favours through invoking Blessed Alvaro. Through his intercession, I never lack! When I'm just about to give up or financial worry takes the better part of me, he surely makes things work out and I am so grateful.

I am so grateful that I got to know of him, through a friend who shared with me after a recollection at a centre for young professional ladies in Nairobi, Kenya.

As a young woman in her final year of studies and already in the job industry of Media and Journalism services, finances have been the biggest part of my day-to-day challenges but, Blessed Alvaro is always making it easy through his intercession.

I wish that many people could get to know him and try his intercession! I'm sure they will never lack!
