## Letter in my hands

I have been praying through blessed bishop Alvaro. He has done so many favors for me and my family.

10/16/2014

I am grateful. I had a problem at work and everything was not working or rather going well and I told him to intercede for me. After one day everything changed, the problem was solved.

I was waiting for my confirmation letter and it had taken ages. I prayed,

within a week I had it in my hands.. This is just one of the many miracles he has done for me. He works and I will continue to pray through him.
