Novena for work favor

AK searched on the internet for a novena he could use to pray for a job. He came across the Novena for Work to St.

Josemaria on the St. Josemaria Institute (www.stjosemaria.org) and tried it.

My name is AK and I am a Catholic residing in Nairobi, Kenya, I would like to share that I have received my special intention granted through

praying the Novena for work by St.
Josemaria Escriva.

I received a job I had applied for
after numerous interviews and when
it seemed that I was not going to get
the position, something amazing
happened after praying this novena
and another one for the Holy Spirit
(requesting for intercession).

I am grateful for this favour and I
dedicate my work to better the lives
of others for Christ. I will continue to
pray for other intentions as well.
