

# Regional Monthly Intention

Marching to the beat of the prayer intention that the Prelate has proposed for faithful and friends of the Work across the world for the next year, for those in East and Southern Africa, the vicar has proposed a regional prayer intention running until Easter Sunday (9th April) 2023.

The Holy Father encourages us to spread the universal call to holiness

in the world. Let us ask our Lady for all Christians but especially for the members of the Work to understand and live this. We can also do so while doing pilgrimages and saying the Rosary with family or friends. Let us ask her – ***Domina, ut videam!*** – for each one of us to be more faithful to the charism of St. Josemaria, being thus better children of his.
