## **Small - and Not So Small - Favors**

I would like to describe a couple of favors I've received from Dora. The first one was finding 20€ that I thought I had lost, and which

appeared under a Dora del Hoyo prayer card.

Since then, we've experienced many favors.

My husband is the vice president of the condominium where we live, and has had to deal with many problems at work. We have entrusted everything to Dora's intercession.

We were lucky enough to pray before her tomb in 2008 and 2009, and we hope it won't be the last time we get the chance.
