

“We will share in some way in her spiritual motherhood”

Turn constantly to the most Holy Virgin, the Mother of God and Mother of the human race; and she, with a Mother's gentleness, will draw down the love of God on the souls you deal with, so that they may make up their minds to be witnesses for Jesus Christ, in their profession, in their ordinary work. (The Forge, 911)

May 22

If we become identified with Mary and imitate her virtues, we will be able to bring Christ to life, through grace, in the souls of many who will in turn become identified with him through the action of the Holy Spirit. If we imitate Mary, we will share in some way in her spiritual motherhood. And all this silently, like Our Lady; without being noticed, almost without words, through the true and genuine witness of our lives as Christians, and the generosity of ceaselessly repeating her *fiat*, which we renew as an intimate link between ourselves and God. (Friends of God, 281)
