

26 June 1975: Fifty Years Later

50 years ago, St. Josemaría passed away in Rome. Here is a selection of resources to commemorate the day of his entrance into heaven. Since then, a new chapter began in the life of Opus Dei, during which his life and message have inspired thousands of Christians committed to sanctifying everyday life. He dreamed that this light of God would become a “great catechesis,” shared through the power of friendship.
