

What can I do to love our Lady?

St Joseph has a lot of influence with our Lady. He was her spouse, he is her spouse. He is the person who was closest to our Lady.

Please, Father, what can I do to love our Lady?

-I think you're already doing what you can. You have some devotions at the year-end, a novena to the

Immaculate Conception, right? Do you?

-Yes, fine.

-Well, I also advise you to follow the Seven Sundays of St Joseph.

-Because St Joseph has a lot of influence with our Lady. He was her spouse, he is her spouse. He is the person who was closest to our Lady, and who loved her the most, apart from her Son, God our Lord. And St Joseph was the person who was closest to God. So if you want to come to our Lady, go to St Joseph, who will lead you by the hand.
