The Prelature's Communications Office has recently produced two short video biographies of Saint Josemaría. The videos are located on the new Opus Dei YouTube channel.

The first, “Who was Josemaría Escrivá,” covers his whole life, while the second, “Josemaría Escrivá in the Spanish Civil War,” focuses on St. Josemaría’s experiences during the years 1936-1939, when he had to go into hiding for many months in Madrid and later escaped over the Pyrenees.

The videos include many photographs of St. Josemaría from the different periods in his life.
