PAUF Board of Trustee Member Passes on

Dr. Olabisi Falodun was a very well respected professional who had many friends. She was laid to rest on Monday 26 February 2018.

26/02/2018

Dr. Theodora Olabisi Falodun, a member of the board of trustees of the Pan-Atlantic University Foundation passed away on the 23 February at the age of 55. Dr.

Falodun had a first degree in Economics from the University of Ibadan, and a PhD in Education from the University of Navarre, Spain.

Dr. Falodun was a very well respected professional, who had worked at various times as a teacher and administrator in institutions such as the Wavecrest College for Hospitality (Monotechnic), and the projects of the Women's Board as well as the Nigerian Association for Women Advancement. She was also a director of studies in several educational projects whose spiritual formation is undertaken by the Opus Dei Prelature.

Dr. Olabisi Falodun touched many lives, and since her passing on 23 February, hundreds of people have been keeping wake and praying before her mortal remains. She was laid to rest on Monday 26 February

2018 after a Funeral Mass at the
Lagoon School Lagos.
