The audiobook is available on Spotify and YouTube Music, and will be followed shortly by a new translation of “Christ is Passing By” (courtesy of Scepter Publishers), also in audio.

First published in 1977, “Friends of God” is the first posthumous work of St. Josemaría. Collecting in one volume 18 homilies given between 1941-68, the book seeks to lead the reader to a deeper friendship with the “God who is close to us.”

The author's filial dialogue with God is guided by his reflections on a number of human and supernatural virtues. Over 400,000 copies have been sold. It has been published in 13 languages.
