Send favours received through the website

People who have died with a reputation for holiness can intercede with God to lend us a favour in a time of need. Now, anyone who wants to leave a record of the thanks received can send their story through this website.

Many people who use this website send letters to express their thanks to

God for having received special favours and graces through the intercession of one of the faithful of the Prelature whose cause of canonization has been opened.

To make it easier to do so, those who so wish can now use the following online forms:

Blessed Alvaro del Portillo

Blessed Guadalupe Ortiz

Venerable Montse Grases

Venerable Isidoro Zorzano

Dora del Hoyo

Father Joseph Muzquiz

Tomas and Paquita Alvira

Jose Maria Hernandez Garnica

Toni Zweifel

Laura and Eduardo Ortiz de
Landazuri

Venerable Ernesto Cofino

Encarnita Ortega

Currently 14 faithful of the Prelature, including two married couples, are being considered for canonization. Information about all of them can be found *here*.

Besides these online forms, news about any favors received can also be sent by email to the Office for the Causes of the Saints at:
ocs@opusdei.org

If you are willing to have the favor posted on this site or in other publications so that it might inspire others to pray to that person, please state this clearly when you send in the favor.
