Two Milestones in 2025: Masses in Nigeria Honouring St. Josemaría

26 June is the feast of Saint Josemaría. This marks the 100th anniversary of his priestly ordination and the 50th anniversary of his transit into heaven. Masses will be celebrated in many cities and towns around Nigeria.

11/06/2025

In many of these Masses, priests will be available for the Sacrament of Reconciliation in advance of the beginning of Mass. Information about Saint Josemaría's life, and favours granted through his intercession, is available [here](#).
