A birthday present?

Yesterday was her birthday, and I asked her on that account.

This is to record a favour after praying to Montse Grases. A foot injury recovered a lot quicker than I would have expected. Yesterday was her birthday, and I asked her on that account.

I also heard that XX who had breast cancer and for whom I was praying to Montse is now in “full remission.” I continue to pray for her return to

the faith, which has not yet happened.
