# **Audio Meditation: Christmas, the Birth of our Lord**

A meditation (guided prayer) on  
the birth of our Lord at  
Christmas.

12/27/2022

Jesus Christ, Our Savior, is born for  
us. Come, let us adore him. Today the  
whole Christian world gathers  
around together where the baby  
Jesus lies in a manger. May  
Christmas be for us an encounter  
with the Lord that transforms our

lives, an invitation to contemplate the face of the Infant Jesus. Listen to this meditation by Father Henry Bocala here:
