New canonization video

In commemoration of the anniversary of St. Josemaría Escrivá's canonization, we are now offering a new video.

10/15/2003

“Canonization” is a video featuring clips from the canonization of St. Josemaría Escrivá, and several pre- and post-canonization events. The 20 minute video, produced by Manuel de Teffé, features original music from Celina Borges.

We thank **Centro ELIS** of Rome for making this video available for many months.

Anyone now interested in obtaining a copy of "**Canonization**" can visit the website of Shineout ([click here](#)), which offers Christian music videos. A sample of this video can be seen at that site.
