WhatsApp is a popular cellphone app for sending and receiving photos and text messages. Below are instructions on how to use WhatsApp to receive

updates about the upcoming beatification.

1. Add a new contact to your cell phone with this phone number: (34) 668 819 562

2. To receive updates in English, send a WhatsApp message saying “Hello” to the new contact.

3. All done! You will receive a confirmation message and each week you will get two WhatsApp messages with news updates.

The WhatsApp messages are free in all countries. After the beatification, the distribution list will be deleted, and no more news updates will be sent.
