Pray with Saint Josemaria via Webcam during Holy Week

On Tuesday March 30 at 7 pm and Saturday April 3 at 10 am in Rome (UTC +2), live images will be broadcast from the prelatric church of Our Lady of Peace in Rome, where the mortal remains of Saint Josemaría Escrivá repose.

This broadcast, lasting 45 minutes, will be made available through the Opus Dei website and its official channels on YouTube , Instagram (in English) and Facebook.

For decades, hundreds of university students from around the world have come to Rome to take part in UNIV and experience Holy Week together with the Pope in the heart of Christendom. As this year the congress will take place online due to the pandemic, this live broadcast will enable them to spend a few minutes during Holy Week in the Eternal City.

Both they and all those who wish can join in this brief time of prayer, and ask – among other intentions – for the end of the pandemic, and in this Year of the Family that has just begun, for all the world's families.
