Searching for a permanent job

I was recommended to a good job which I did not even apply for.

05/29/2016

After searching for a permanent job for 10 months, a friend recommended that I pray the Novena for employment to seek the intercessions of St. Josemaria and Our Blessed Mother. Within 2 weeks I was recommended to a good job which I did not even apply for. Thank you St. Josemaria and Mother

Mary for your prayers and intercessions. Always have faith in the love of God.
