"Just Start. Ways to help people" is the title of an eleven-video series whose aim is to highlight the importance of the corporal and spiritual works of mercy by presenting the testimonies of more

than 100 people from 12 different countries. The series, produced for the Jubilee Year of Mercy, seeks to help make Pope Francis' desire a reality: that we Christians may contemplate God's mercy and adopt it as our lifestyle.

These eleven videos, with quotes from Sacred Scripture, Pope Francis and Saint Josemaria, can now be accessed on a single page [here](#).

The material in the “Just Start” series is suitable for use in schools, parishes, and catechism classes.
