## **“When I speak with God”**

A new video of Saint Josemaria offers 44 brief clips from his oral preaching between 1972 and 1975 in Europe and Latin America. It can be downloaded or purchased from Beta films with English subtitles.

09/10/2015

In get-togethers with large groups of people, Saint Josemaria responds to questions about daily life, marriage and children, work, drawing close to God, setbacks and suffering in life....

The video can be downloaded for about 1 euro *here*.

It can be purchased for 3 euros *here*.

Also included are two brief biographies of the life of the founder of Opus Dei.

All of these clips have been previously posted on the website of the prelature of Opus Dei. They are offered now in a unified and visually improved format.
