The Mass kit is distributed free of charge by the St. Josemaria Institute. It includes a 16" x 20" framed portrait of St. Josemaria, the prayers for the Mass in English and Spanish, and a copy of the DVD, *Passionately Loving the World: Living the Spirituality of St. Josemaria*, among other things.

Priests and parishes around the world can order the St. Josemaria Feast Day Mass Kits in anticipation of St. Josemaria's June 26 feast day. Orders in past years have come from all over the world, including one sent to a Marine Corps chaplain deployed in Iraq.

The kits are free and donations are encouraged. They can be ordered online at the **St. Josemaria Institute** or by calling 877-785-6736 (toll-free). The parts of the Mass can also be downloaded from the site in English and Spanish. Orders must be

received before June 10 (orders from outside the US should be placed before June 5).

The St. Josemaria Institute was founded to spread the teachings and spirituality of St. Josemaria Escriva, who was declared a saint in 2002 by Pope John Paul II.

Note:

Inquirers in the UK can obtain a free Mass kit locally by e-mailing the Opus Dei Information Office at [info@opusdei.org.uk](mailto:info@opusdei.org.uk) or calling 020 7221 9176.

If you would like to adjust the contents of the kit, e.g. by asking for more posters or for newsletters to go with the prayer cards, please do not hesitate to ask.
