

Who founded Opus Dei?

10/02/2006

A Spanish priest, Saint Josemaría Escrivá (1902-1975), founded Opus Dei in 1928. Even during his lifetime he had a reputation for holiness, which continued to grow around the world after his death. Many people have testified to having received spiritual and material favours, including medically inexplicable cures, through his intercession. He was declared a saint by Pope John Paul II in 2002. The feast day of Saint Josemaría is June 26.
