# **Information on traveling to Rome for the canonization**

Committees coordinating trips to Rome for Blessed Josemaria's canonization have been established in various countries. See contact information below.

08/07/2002

A central coordinating committee for the celebration of Josemaria Escriva's canonization has been established in Rome. This committee is preparing

an Internet page with information useful for those who wish to travel to Rome. Its address will be **www.escriva-canonization.org** , and it will be available within the next few weeks.

Until that site is available you can obtain information on the event at this website, which is being updated as data becomes available.

Committees have also been established in various places around the world, to coordinate trips to Rome from each region. Those interested in attending the canonization should contact the committee closest to their place of residence. These committees are preparing, in coordination with the committee in Rome, everything connected with transportation, lodging and documentation necessary to travel to Italy.
