# **Regional Monthly Intention (USA): March 2023 to June 2024**

The Regional Vicar is inviting the faithful and friends of Opus Dei in the United States to pray in a special way for this intention.

03/24/2023

**March 25, 2023 (Feast of the  
Annunciation) – May 30, 2024  
(Feast of Corpus Christi)**

Uniting ourselves to the intentions of the United States Bishops, we pray for the ongoing Eucharistic Revival taking place in our nation, which will culminate with the National Eucharistic Congress in July 2024. Let us ask St. Josemaría, who had such strong devotion to Jesus in the Blessed Sacrament, that he might teach us anew to desire the Eucharist with the “purity, humility and devotion” that our Lady had, with the “spirit and fervor of the saints.” May each faithful of the Prelature and member of the Priestly Society of the Holy Cross, the cooperators and young people who participate in the activities of the Prelature, all foster a love for the Holy Mass as the center and root of our Christian life.
