The program is entitled "Meeting Josemaría - Brazil." It is based on footage from Saint Josemaria's 1974 trip to Latin America. In each country he visited, he held gatherings with members of Opus

Dei and friends and answered their questions about how to live out their Catholic faith in their daily lives.

The first country Saint Josemaría visited, Brazil, is the focus of this program. There he spoke about themes of marriage, family, holiness in the middle of the world, justice and charity, and the importance of the Catholic faith.

The half-hour long program airs Oct. 30 at 6:30 PM and 3 AM Eastern time.
