

Alvaro gets us a new car!

At the start of this year, my wife and I came to the realization that we needed a new car. My wife's business was growing and the car we had at the time was too small to carry the different materials that we usually use in the course of the work. Our family was also growing bigger as we were expecting a baby due to be born in May.

02/12/2025

We decided to entrust this intention to the intercession of Blessed Alvaro. We were praying for the financial means to be able to purchase the new car. Our petition was answered and by 1st of May 2024 we were able to pay all the needed money and get our new car. The car was blessed on 2nd May 2024 and our baby was born on 10th May.

Mr. and Mrs. A
