

Sending via the web page favors received

Those who have died with a reputation for holiness can intercede for us before God. An online form can now be used to send news of any favors received.

09/23/2016

Many people who use this website send letters to express their thanks to God for having received special favors and graces through the intercession of one of the faithful of

the Prelature whose cause of canonization has been opened.

To make it easier to do so, those who so wish can now use the following online forms:

Blessed Alvaro del Portillo

Venerable Montse Grases

Dora del Hoyo

Father Joseph Muzquiz

Toni Zweifel

Currently 14 faithful of the Prelature, including two married couples, are being considered for canonization. Information about all of them can be found [here](#).

Besides these online forms, news about any favors received can also be sent by email to the Office for the Causes of the Saints at:
ocs@opusdei.org

If you are willing to have the favor posted on this site or in other publications so that it might inspire others to pray to that person, please state this clearly when you send in the favor.
