EWTN will air two programs for the feast day of Opus Dei's founder, "Meeting Josemaria Escriva – Chile" and "They Call Him Father in the Five Continents."

The 30-minute program “Meeting Josemaria Escriva – Chile” features Saint Josemaria answering questions from an audience in Chile about encountering Christ in everyday life. Saint Josemaria speaks about the need to attend Mass on Sundays, the founding of Opus Dei, and the formation of children to enable them to develop into people of a sound judgment.

The hour-long documentary program “They Call Him Father in the Five Continents” explores the life and works of Saint Josemaria.

In the U.S. the programs will air at these times:

June 26, 5:30 AM Eastern: *They Call Him Father in the Five Continents*

June 26, 4:30 PM Eastern: *Meeting Josemaria Escriva – Chile*
